SRI RANGANATHAR
Institute of Engineering and Technology
Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai.
(An ISO 9001:2015 Certified Institution)

RENEWABLE ENERGY

POLICY NUMBER   : SRIET- RE02
POLICY NAME   : RENEWABLE ENERGY
EFFECTIVE DATE FROM : 01.07.2019

PURPOSE
Renewable energy also helps conserve the nation's natural resources.

POLICY DETAILS
The objectives of the policy:
- To utilize green energy
- Reduce CO2 emission
- Conserve fossil fuel energy
- Minimize the air pollution
- Utilize the clean energy

POLICY SCOPE
The policy is applicable to the campus and the neighbouring community and the whole nation in large

RELATED POLICIES
- Differently abled students
- Green & Clean Environment
- Water conservation and Management
- Audit
- Renewable Energy

PROCEDURES
- Obtain an approval status from the Governing council for the implementation of the policy
- Communicate the objectives of policy and action plan to staffs and students
- Install and utilize the renewable energy systems such as solar water heating, solar photovoltaic panel for electricity generation, solar pump, wind turbine etc., in a span of time.
- Transform the campus into a renewable energy campus
- Educate students on fossil fuel pollution, depletion and need for conservation
- Celebrate renewable energy day to create awareness among staffs and students
- Organize seminars and conference to provide an opportunity to understand and analyse the technology, recent developments, scope and feasibility of implementation in Indian context
- Encourage students to carry out renewable energy projects and motivate entrepreneurship in manufacturing the systems
- To convert the existing LED street lights into solar operated street lights
- To assemble a battery operated vehicle inside the campus for various requirements
- Carry out an audit through an external agency
- Implement the recommendations
